Letter dated 12th January 1905 addressed to the Dewan by Palghat Hanumanta Rao, Muzrai Overseer now on duty at Tirupati.

Upon the communication noted above, the Dewan has been pleased to remark as follows:-

" I shall be glad if something can be done to this old dying man. I dare say some ten Rupees may be found for him without diverting the Chattram provision. But he is not an undeserving object of that charity even".

Palghat Hanumanta Rao who draws 20 Rupees pay from Muzrai Funds was sent some time back to work at Tirupati, his pay being sent from Bangalore. I am glad to be able to report that he works well there and helps the Peshkar. As he is not on the

regular Establishment of the Mysore Charities at Tirupati I was not able to recommend any increase for him in connection with the revision of that Establishment which was recently sanctioned. To help him however, in his own old age as suggested by the Dewan, I beg respectfully to recommend that 2 seers of rice and condiments per diem be given to him from the feeding allotment of the Chattram at Tirupati as long as he remains on duty at Tirupati. The cost will be a little over Rs. 10 per mensem. Government having recently relieved the " Feeding allotment" of an expenditure of Rs. 18-8-0 per mensem, the rice allowance now proposed may it is submitted, be met from that amount, with effect from 1st July 1905.

Submitted to the Dewan thro'the 2nd Councillor.)

How glad
I should be if
some day we could

I dare say some

Respected Sir

I beg to submit that when I saw you last you were pleased to say that you will order me "Ration" for 3 days. The Order sent here in Canara language is rather ambiguous. The days marked in figure in Canara language is read here as 2 days

Sl 3

Two Sirs Tho it looks like 3 three
It is not noted in words as
two or three I therefore beg
that our ration may be
ordered for three days as
promised in person
for help I will ever thankfully
